

RAMP CAMP: WHAT TO BRING TO YOUR SESSION

EQUIPMENT:

SKIS: 2 pairs if possible

- Option 1: Bring one or two pair of skis that you will not be using again on-snow.
- Option 2: If you do not have appropriate skis, Freestyle America has skis available for rent for \$10/day. Please contact us to reserve a pair.

BOOTS:

- Bring boots that fit well. Your winter ski boots are fine, as the water will not ruin them. Be sure to try them on before camp! Be sure to dry them out by removing liners after camp.

BINDINGS:

- Please be sure your bindings fit your boots **BEFORE** attending camp.
- Bindings should have a minimum of 9 DIN.
- Ski retention is critical while ramping.

WET SUIT:

1. Required for June and September camps
2. A shorty wet suit and insulating layers (polyprop) recommended for July and August camps

LIFE JACKET: Water sports type - Required!

MOUTH GUARD: At least 2 - Required!

HELMET: ski/skate/kayak - Required!

BACK PACK: Take to the Ramps each day. Water bottle, mouth guards, towels, gear
